REGISTRATION FORM

A donation of \$20 + \$5 for each additional *family member* is all that is needed (Children under 12 years old can attend for FREE!). The clinic will be split up into 2 different sessions, a newbie session (for those with little or no experience with dog scootering/bikejoring) on Saturday and the intermediate level session on Sunday. Each session will be from 8:30 AM to 12:30 PM and will be a mostly hands-on experience.

The **newbie session** will cover the basics, including what equipment and gear to use, proper harness fit, how to teach your dog the basic commands (GEE, HAW, LINE OUT, EASY, WHOA), ground work training, trail etiquette, and attitude. The **intermediate session** will cover a little bit of what is in the newbie session but will focus more on advanced commands such as GEE OVER, HAW OVER, ON BY passing, teaching your dog to avoid distractions, speeding up on command, etc.
